PREAMBLE :—

In the G. O. dated 20th May 1961 the following conditions were offered to the Members of the staff of the Kannada Research Institute, Dharwar, who were permanent Government servants as on that date of transfer of Institute to the Karnatak University :—

(*a*) *Scale of Pay* :—They will be entitled to University Scales of pay or the Government scales of pay, whichever are more favourable to them.

(*b*) *Leave* :—The employees will be allowed to enjoy, at their option, the leave benefits under the Mysore Civil Services Rules, 1958 or those admissible under the University Rules. The option once exercised shall be final.

(*c*) *Travelling Allowance* :—They will be entitled to the University Scales of travelling allowance.

(f) The staff option for absorption in the University service will not be entitled to continue their subscription to the General Provident Fund. The balances at their credit in the Provident Fund shall become payable to them under rule 18 of the G. P. F. Rules.

Sri B.S. Kulkarni was one of the staff working at the Kannada Research Institute, Dharwar at the time of the above Institute was transferred to the Karnatak University, Dharwar. The Registrar, Karnatak University in his letter No. K-10(g)-Adm dt. 27th July 1967 had indicated that Dr. B. S. Kulkarni was a permanent Reader in the scale of Rs. 200-10-300 in the Kannada Research Institute, when the Institute was transferred to the Karnatak University.

The name of Sri B. S. Kulkarni was not included in the ISS List of any department of Government for the reasons that his services were transferred with the Institute to the Karnatak University. He filed writ petition No. 339/66 in the High Court for inclusion of his name in the ISS List of Class-I officers (Readers) of the department of Collegiate Education. The High Court in their Order dated 14th October 1968 observed that a permanent Government servant cannot be transferred to serve a non-Government Institution like the Univesity without his consent and that therefore held that the transfer to serve the University without the option was not valid. Therefore the High Court directed that this State Government should take steps to place the petitioner at the place appropriate to him in the ISS List relating to the department appropriate to his service. Therefore it was proposed to include his name in the ISS List of Readers in the Department of Collegiate Education After calling for objections and considering them, the name of Sri B. S. Kulkarni has been included at Sl. No. 138-A in the final ISS List of gazetted officers (Category-III) i. e. Readers of the Department of Collegiate Education *vide* Notification published under No. GAD 3 IGS 73 dated 26th November 1974.

Sri B. S. Kulkarni, Director, Kannada Research Institute, Karnatak University, in his declaration dated 14th October 1977 has opted unconditionally to the services of the Karnataka University w.e.f. 1st November 1956. In G.O. dated 31st August 1961 it was ordered that in terms of G.O dated 20th May 1961 option has to be exercised by 20th September 1961. The time was further extended upto 31st March 1962 in Govt letter dated 17th March 1962 quoted above. In view of the fact that the time limit for exercising the option has already expired, the declaration now exercised by Dr. B. S. Kulkarni on 14th March 1977 was examined in detail and the following orders are passed :—
